LYRIC + SCRIPTURE GUIDE

ASHAN LEVI

MIDNIGHT MERCY RECORDS

A NOTE BEFORE YOU BEGIN

Hope found in the darkest hour.

REDEMPTION is a twelve-song journey through spiritual warfare, anxiety, idolatry, silence, surrender, mercy, and the hope found in Jesus Christ.

This guide was created to help you spend more time with the message behind each song. Read slowly. Sit with the Scripture. Answer honestly. Pray even when the words feel unfinished.

The lyrics are presented exactly as supplied by the writer. The Scripture notes, reflections, and prayers are companions to the songs—not replacements for reading Scripture in its full context.

Into The Fire

Holding onto God when the world feels corrupted, chaotic, and determined to make the soul numb.

Isaiah 43:2 — The fire and the flood are real, but neither has the authority to separate God from the person walking through them.

Where have fear, anger, or constant noise started shaping the person you are becoming?

God, keep my heart alive in a world that keeps trying to make it cold. Give me strength to walk through the fire without surrendering my soul to it.

Into The Fire / LYRICS

This world feels sick
Everybody angry
Everybody empty
Everybody searching for something
That never fills the hole
And the devil keeps feeding the chaos
But I refuse to drown with it
Corruption in the bloodstream
Poison in the air
People killin' themselves slowly
Like nobody even cares
Truth buried underneath fear
Love traded in for control
Everybody fightin' for attention
While the darkness eats their souls
I can feel the pressure rising
Like a war beneath my skin
Everywhere I turn
Another battle I'm trapped in
Voices say
Give up
Let the hatred in
But I still hear Heaven callin'
Through the noise again
When my strength starts fading
And the shadows pull me under
I still hear Your voice
Through the chaos and the thunder

GIVE ME STRENGTH

When my world starts caving in

GIVE ME FIRE

When the darkness draws me in

DON'T LET ME BREAK

Cause I don't wanna become
Everything this world has made
So pull me from the shadows
Before my light completely fades
Every screen another weapon
Every headline feeds the fear
Anxiety inside the youth
While nobody sheds a tear
The innocent keep bleeding
The guilty wear the crowns
And the devil laughs loudest
When good men drown
I've seen faith collapse
Under pressure and pain
Watched people lose themselves
Tryna numb what they can't escape
But deep inside the wreckage
Through all the grief and rage

There's still a fire burnin'
That the darkness couldn't take
This world wants my soul numb
Cold
Empty
Hopeless

But I still believe light survives the dark

GIVE—
ME—
STRENGTH
Give me
STRENGTH

I won't let the darkness own me
I won't let the devil control me

EVERY SCAR
EVERY WOUND
EVERY NIGHT I BARELY MADE IT THROUGH—
ONLY TAUGHT ME HOW TO FIGHT

If I fall into the fire
Will You pull me through the flames
Cause I'm tired of this battle
But I still call Your name
give me strength

GIVE ME STRENGTH
When my faith is wearing thin
GIVE ME HOPE
When the war is closing in

Cause this world feels so corrupted
But I know I'm not alone
and even through the chaos
Your light still leads me home

LEADS ME HOME

Maybe the world forgot what hope feels like
But I haven't

Nations Bow

The collapse of human power and the eternal authority of Jesus Christ.
Philippians 2:10-11; Revelation 11:15 — Empires, approval, wealth, and influence all pass away. Christ remains King when every temporary throne has fallen.
What temporary kingdom have you been treating as though it could never be taken away?
King Jesus, tear down every throne I have built above You. Teach me to live for the Kingdom that cannot be shaken.

Nations Bow / LYRICS

Nation will rise against nation
Kingdom against kingdom

And every knee shall bow

I watched empires built outta fear and gold
Kings on thrones with their hands too cold
Whole world drunk off power and pride
Building towers just to worship lies

worship lies
watch it burn

Everybody wanna play God now
Crown made of ash with a serpent smile
Marching like they never gonna fade away
But every kingdom got an ending date

I seen rich men rot in designer graves
False prophets drown in the words they say
Every flag fall flat in the blood-red rain
Every idol break when He speaks His name

And I been exhausted
Soul feel torn
Trying to survive in a world this warped
Everybody screaming we're finally free
While chains sink deeper underneath

"nothing here remains

Cause power turns dust
And glory decays
The mountains shake when the heavens wake
Every crown gets buried
Every ruler fades
But one Name echoes when the earth breaks

EVERY EMPIRE FALLS

EVERY KNEE BOWS

HEAVEN CRASHIN' THROUGH THE DARK RIGHT NOW

ALL THE KINGS TURN DUST

ALL THE THRONES COLLAPSE

ONLY THE KING REMAINS WHEN THE WORLD GO BLACK

ONLY THE KING

ONLY THE KING

ONLY THE KING REMAINS

Holy
Forever

I watched the culture feed off rage and death
TikTok prophets with a serpent breath
Everybody flexing like they self-made gods
Till the silence hits and the lights go off

And maybe I ain't better
Maybe I'm cracked too
Built tiny kingdoms outta my wounds
Used anger like armor
Fear like faith
Till God tore everything I used to praise
Tear it down

Let grace remain

I hear Rome falling in the back of my mind
Hear Babylon screaming while the stars divide
Whole earth trembling under blackened skies
While the Lion finally arrives

No weapon survives
No army stands
When eternity opens its hands
The rich cry out
The proud all run
But there's nowhere left to hide from the Son

All the kingdoms fade
All the banners burn
Everybody faces what they served
And the ground gives way beneath our names
But mercy still survives the flames

EVERY EMPIRE FALLS

EVERY KNEE BOWS

HEAVEN TEARING THROUGH THE ASHES NOW

ALL THE CROWNS TURN RUST

ALL THE IDOLS CRACK

ONLY THE KING REMAINS WHEN THE WORLD COLLAPSE

BOW DOWN

THE KING REMAINS

ONLY THE KING REMAINS

I spent my whole life
Trying to build something that wouldn't die

Money
Control
Approval
Power

But all of it burns eventually

And standing in the ruins
There's only One left breathing life into the dust

The kingdoms of this world
Have become the Kingdom of our Lord

EVERY EMPIRE FALLS

EVERY KNEE BOWS

HEAVEN OPEN WIDE ABOVE US NOW

ALL CREATION SHAKES

ALL THE DEAD WILL RISE

ONLY THE KING REMAINS THROUGH ETERNAL FIRE

KING OF KINGS

LORD OF LORDS

FOREVER

ONLY THE KING REMAINS

So tear the world down
Let the Kingdom remain

Idols

Recognizing the habits, comforts, and approval that quietly take God’s place.
Exodus 20:3; Matthew 6:21 — An idol does not have to look evil. It can look like survival, control, escape, or anything trusted to carry what only God can hold.
What do you reach for first when you feel afraid, empty, rejected, or out of control?
God, expose every false refuge in me. Tear down what has been owning my heart and teach me to find freedom in You.

Idols / LYRICS

I kept building temples
outta temporary things.

Money.
Attention.
Pleasure.
Escape.

And every single one
left me emptier than before

I spent years numb
Just feeding whatever hurt less
Tryna outrun conviction
With another cheap fix

Every craving felt holy
Every vice wore gold
But everything I leaned on
Collapsed when I got close

I was praying to approval
Letting strangers name my worth
Smilin' in crowded rooms
While my soul rotted underneath the surface

And the worst part—
I knew better.

But sin gets quiet
when it learns your language.

I kept reaching for peace
In things that couldn't save me
Every idol took a piece
Till there was almost nothin' left of me

**TEAR DOWN THE IDOLS—
I CAN'T CARRY THIS WEIGHT**

**EVERYTHING I WORSHIPPED
LEFT MY SPIRIT IN DECAY**

BREAK ME FREE

**I BEEN FIGHTIN' MYSELF
EVERY NIGHT THAT I PRAY**

**SO GOD—
IF YOU STILL WANT ME,
DON'T LET ME STAY THIS WAY**

Anxiety became religion
Fear became routine
I learned how to hide collapse
Behind exhausted eyes and silver screens

The devil never showed horns
Nah—
He sounded like comfort

Like,
You deserve this
You earned this
One more time won't hurt
I kept feeding addictions

That were feeding on me back
Every road I took for freedom
Led me deeper into black

And I swear—
I heard Your voice
Somewhere underneath the static

Not loud.
Not dramatic.

Just enough
to make me stop running

Some false gods don't look evil
Sometimes they look like survival
Until they own your soul

RIP THE CROWN OFF EVERYTHING ABOVE GOD

**I WON'T KEEP SERVING
WHAT'S BEEN KILLING ME**

**I WON'T KEEP BOWING
TO MY OWN INSANITY**

TEAR IT DOWN

**EVERY IDOL LEFT ME EMPTY—
EVERY FALSE LOVE LEFT ME COLD**

**NOW I'M SCREAMING AT HEAVEN
WITH A HEART I CAN'T HOLD**

You still found me
beneath the wreckage

Still called my name
through all the noise

And I don't got clean hands
or perfect faith

Just a soul
that's tired of destroying itself

**TEAR DOWN THE IDOLS—
SET MY SPIRIT FREE!!**

**CAUSE EVERYTHING I WORSHIPPED
WAS SLOWLY BURYING ME!!**

**NOW MY HEART BEATS DIFFERENT—
NOW I CAN FINALLY SEE!!**

**ONLY YOU ARE HOLY—
ONLY YOU CAN CARRY ME!!**

**I DON'T WANT THE WORLD
IF IT COSTS MY SOUL**

**I DON'T WANT THE THRONE
IF I DIE ALONE!!**

I spent my whole life
building altars

To things
that were never listening

The Fall, Pt. I - Silence

Wrestling honestly with unanswered prayer, spiritual silence, anger, and the fear of abandonment.

Psalm 13:1-2 — Scripture makes room for grief and hard questions. Faith can remain present even when understanding has disappeared.

What have you been afraid to say to God because it sounds too angry, hurt, or uncertain?

God, meet me in the questions I cannot resolve. When Your silence feels like absence, keep me near enough to keep choosing trust.

The Fall, Pt. I - Silence / LYRICS

I spent so long believing
Every failure meant
Something inside me was cursed
Every wrong turn
Every sleepless night
Every prayer that never answered
I kept begging Heaven to speak
But all I heard was silence
And I started calling that silence abandonment
I wore disappointment like a second skin
Kept chasing peace while the panic crept in
Every dream I touched slipped through my hands
Every closed door felt like punishment
I got good at pretending
Like I was alright
Smiling through conversations
Then raging alone at night
Every mistake replayed inside my head
Like a voice reminding me
You could've stopped this—but You never did
I watched people testify about blessings
While I was barely surviving mine
Started wondering if You heard everybody else
And just skipped over my life
And I swore You abandoned me
Buried me underneath the dark
Cause every road that nearly killed me
Left another wound across my heart
I kept screaming at the ceiling
Waiting for a sign
But Heaven stayed quiet
While my whole world died

I THOUGHT THE FALL WOULD DESTROY ME—

CAUSE IT FELT LIKE YOU JUST WATCHED

just watched

Every scar became resentment

Every prayer started feeling lost

I CALLED YOUR SILENCE ABANDONMENT

WHEN I COULDN'T SEE THE LIGHT

Through every shattered moment—

I THOUGHT YOU LEFT ME THERE TO DIE

I spent years comparing my pain
To everybody else online
Watching people call You faithful
While I was losing my mind
And the pressure almost crushed me
The doubt got hard to fight
Cause every time I asked for mercy
I got another sleepless night
another sleepless night
I started hating who I was becoming
Cold inside, emotionally numb
Tired of hearing "God has purpose"
When the damage never stopped
And honestly—
I got angry hearing people say
"You're blessed"
When survival felt impossible
And faith just felt like stress
Cause the fire never stopped burning
And the storm never moved away
I kept begging You to save me
While You let me break
And I hated how the silence
Made me question everything
Cause pain changes what You believe
When it lasts too long to breathe
I THOUGHT THE FALL WOULD DESTROY ME—
CAUSE IT FELT LIKE YOU WEREN'T THERE
Every wound became confusion
Every unanswered prayer despair
I CALLED YOUR SILENCE ABANDONMENT
WHEN MY faith WAS RUNNING DRY
Through every shattered moment—
I THOUGHT YOU LEFT ME THERE TO DIE
So I screamed into the dark...
Angry You stayed quiet
I said:
If You're really there—
Then why does this keep happening
Why did healing take so long
Why did I have to lose myself
Just to hear You
And maybe

Maybe You were never absent

Maybe I just couldn't recognize You

Inside the suffering

I WASN'T JUST HURT—

I WAS ANGRY

ANGRY AT THE SILENCE

ANGRY AT THE WAIT

ANGRY THAT I BEGGED FOR HELP

AND NOTHING SEEMED TO CHANGE

BUT I'M STILL HERE

SO MAYBE GRACE

WASN'T LEAVING ME COMFORTABLE—

MAYBE IT WAS KEEPING ME ALIVE

I THOUGHT THE FALL WOULD DESTROY ME—

AND SOME NIGHTS I STILL DON'T KNOW

still don't know

Every scar still aches inside me

Every question still feels cold

I CALLED YOUR SILENCE ABANDONMENT

CAUSE I COULDN'T SEE THE LIGHT

And maybe I was never alone—

But I still don't understand why

I'M STILL TRYING TO TRUST YOU

WITH HANDS THAT SHAKE AT NIGHT

CAUSE SURVIVING THE DARK

DOESN'T MEAN THE DARKNESS LEFT MY MIND

Maybe faith isn't never questioning God

Maybe it's choosing to stay

Before you have answers

what if I was never abandoned

what if I was being rebuilt

Safe To Fall

Discovering that faith is not always standing strong; sometimes it is trusting God enough to fall into His hands.

Psalm 56:3 — Fear does not disqualify trust. It becomes the very place where trust can begin.

What weight are you still carrying because letting go feels more frightening than holding on?

Lord, I need You now. When I cannot stand, remind me that Your arms are still the safest place to land.

Safe To Fall / LYRICS

When I am afraid... I put my trust in You
Another night with the lights down low
Mind running circles that I can't control
Everybody telling me "You'll be alright"
But they don't hear the war that starts at night

I been carrying pressure inside my chest
Trying to smile while I'm falling to death
Faith hanging on by a single thread
Fear getting louder inside my head

inside my head
don't lose hope

I tried to fix what I couldn't heal
Built fake peace just to numb what I feel
Now the walls I made to survive
Feel like the reason I'm barely alive

And I'm tired
God, I can't do this alone
I need somewhere safe to fall

Cause every road keeps leading me back
To the weight I can't unpack
And every time I feel my spirit break
I still reach for Your name

LORD, I NEED YOU NOW!!
BEFORE I DROWN BENEATH THESE WAVES
EVERY FEAR IS CAVING IN
AND I DON'T THINK I CAN STAND
NEED YOU NOW

PULL ME OUT THE DARK!!
WHEN MY WHOLE WORLD FALLS APART
IF YOUR HAND'S STILL REACHING DOWN
GOD, DON'T LET ME HIT THE GROUND

don't let me go

I hear the thunder outside my room
Feel the silence like an open wound
Every prayer feel heavy in my lungs
Like Heaven's quiet while I come undone

I been fighting thoughts I never say
Trying not to break in front of everybody
But the stronger I pretend to be
The more the darkness keeps swallowing me

swallowing me
hold onto me

And I know I'm not enough
Not without Your love
Cause every piece of me collapses
When I try to carry this alone

Every fear I buried comes alive
Every shadow multiplied
But somewhere in the static of the storm
I still hear Your voice

LORD, I NEED YOU NOW!!

**BEFORE I DROWN BENEATH THESE WAVES
EVERY FEAR IS CAVING IN
AND I DON'T THINK I CAN STAND
RIGHT NOW**

**PULL ME OUT THE DARK!!
WHEN MY WHOLE WORLD FALLS APART
IF YOUR HAND'S STILL REACHING DOWN
GOD, DON'T LET ME HIT THE GROUND**

I thought I was strong enough
To survive this on my own
But I'm exhausted
And I'm terrified
And I don't know how to keep carrying this weight
So if You can still hear me—
Save me

**LORD, I NEED YOU NOW
MORE THAN I EVER DID BEFORE
WHEN THE LAST LIGHT STARTS TO FADE
YOU'RE THE ONLY HOPE I KNOW**

**ONLY HOPE I KNOW
WHEN MY FAITH FEELS DEAD
WHEN MY SOUL CAN'T TAKE NO MORE
MEET ME HERE INSIDE THE RUINS
AND REMIND ME WHAT I'M FIGHTING FOR**

Lord, I need You now
Lord, I need You now

NOWWWW

Through The Valley

Walking through anxiety and darkness with the Shepherd who refuses to leave.

Psalm 23:4 — The promise is not that every valley disappears. The promise is that God remains present inside it.

What would change if you stopped reading this valley as proof that God has left you?

Shepherd, stay close when fear circles and the path disappears. Lead me one step at a time until I can see the light again.

Through The Valley / LYRICS

"Even though I walk through the valley of the shadow of death..."

"...I will fear no evil..."

I been feelin' like the light don't reach me
Cold air in my lungs while the dark still breathes deep

Everybody see the smile when I'm outside
But they don't hear the war when the room sleeps

Hands shake when the night gets quiet
Thoughts turn violent when the fear starts riot

Tryna hold faith with exhausted fingers
While anxiety whispers:

"you're dying..."

"God left..."

And honestly—

I'm terrified.

Maybe the valley ain't punishment.

Maybe the Shepherd stays closest
When the wolves start circling.

Even through the shadows
Even through the pain

When my fear is screaming louder
Don't let me walk away

Cause I know you're with me
When my world goes black

If I fall inside the valley
Be the voice that calls me back

I stopped tellin' people how bad it got
How the pressure in my chest never really stops

Still pray—
Even when I feel numb

Still look toward God—
Even when no comfort comes

Maybe faith ain't certainty.

Maybe faith is limping through the dark
While something inside you still refuses to die.

I got scars that still haunt sleep.

Old wounds that still know my name.

But underneath the noise—
I hear another voice.

Soft.

Steady.

Unchanged.

Even through the shadows
Even through the storm

When it feels like death is breathing
Keep my heart from growing cold

Cause I know you're with me
Even here below

And if hell is all around me—
Don't let me go alone

DON'T REMOVE THE VALLEY—

Just stay by my side.

(with me...)

(with me...)

Plans for Me

Trusting God with a future that cannot yet be seen from inside the ruins.

Jeremiah 29:11 — Hope does not require a complete map. It rests in the character of the One who still holds the future.

Where are you demanding certainty before you are willing to take the next faithful step?

God, when I cannot understand Your plan, help me trust Your heart. Give me enough hope for the next step.

Plans for Me / LYRICS

For I know the plans I have for you

I wish I knew what they were.

I been losin' sleep while the world stays quiet
Mind like a war and I can't stop the riot
Everybody tellin' me "just keep faith
But they don't hear the fear when I'm alone at night

I tried to build peace from control and pressure
Stack my whole life just to hold it together
But every plan I made without trustin' You
Turned to ash faster than I could measure

And I got tired
Of pretending I'm strong
Tired of carryin' pain like I gotta move on

Cause the truth is
I been barely alive
Smilin' in the daylight while I die inside
die inside

I keep askin' Heaven if You still hear me
Cause the silence in the dark gettin' hard to breathe in

Maybe faith ain't feelin' fearless
Maybe faith is walkin' wounded
Maybe hope is holdin' onto
Words I barely still believe in

**IF YOU STILL GOT A PLAN FOR ME
DON'T LET ME DROWN IN THE WAVES
I BEEN HOLDIN' THIS WORLD TOO TIGHT
WHILE IT'S BREAKIN' ME DAY BY DAY**

**GIVE ME HOPE THROUGH THE RUINS
LIGHT WHEN I CAN'T SEE THE WAY
IF THE FUTURE'S STILL IN YOUR HANDS
THEN TEACH MY HEART HOW TO STAY**

hope... and a future

I got scars I don't show to nobody
Ghosts in my chest still walk beside me
Some nights I still feel abandoned
Like Heaven went silent when life got violent

And I know what the scripture says
But it's hard when your soul feel dead
Hard to believe there's a purpose ahead
When anxiety keep screamin' inside your head
inside your head

I spent years tryna save myself
Buildin' walls just to hide myself
But every road led back to emptiness
And I finally realized I need Your help

Maybe I was never meant to know
Every step before I move
Maybe trust is givin' You the fear
I keep clingin' to

IF YOU STILL GOT A PLAN FOR ME

**DON'T LET ME FALL APART
I BEEN CARRYIN' ALL THIS WEIGHT
LIKE I COULD SAVE MYSELF IN THE DARK**

**GIVE ME HOPE THROUGH THE RUINS
PEACE WHEN MY MIND STARTS TO BREAK
IF YOUR LOVE STILL REACHES THIS FAR
THEN DON'T LET ME WALK AWAY**

For I know the plans I have for you
Plans to prosper you... not to harm you
Plans to give you hope
and a future

THEN WHY DOES IT HURT SO BAD

I'm still scared
Still broken
Still fightin' every breath
Still searchin' for a reason
When my mind wanna quit

But maybe You still see me
Even here in the wreckage
Maybe grace still reaches
Places pain couldn't finish

**IF YOU STILL GOT A PLAN FOR ME
THEN I WON'T LET GO TONIGHT
EVEN WITH ASH IN MY LUNGS
I'LL KEEP RUNNIN' TOWARD THE LIGHT**

**GIVE ME HOPE THROUGH THE RUINS
GIVE ME FAITH WHEN I CAN'T SEE
CAUSE IF YOU STILL WRITE MY FUTURE
THEN MAYBE YOU'RE NOT DONE WITH ME**

hope... and a future

Redemption

Bringing sin, shame, addiction, and failure to the cross and receiving mercy that cannot be earned.

Ephesians 1:7; Romans 3:23-24 — Redemption is not a reward for perfect people. It is grace offered through Jesus to people who know they cannot save themselves.

What part of your story have you secretly believed is beyond the reach of Christ?

Jesus, I cannot save myself. Wash me clean, break every chain, and teach me to live like Your mercy is greater than my past.

Redemption / LYRICS

Father
if You can still save someone like me
I know what I've done.
I got blood on my conscience
Fear in my chest
Years tryna hide every scar I possess
Built my identity outta regret
Smile for the world while I silently wreck
wreck
still broken
too far gone

Every night got darker than before
Anger at myself spillin' onto the floor
Tried numbness
Tried pride
Tried running away
But sin always waits outside the door
And I carried addictions like chains on my spine
Thought if I buried the pain I'd survive
But the deeper I sank in the lies I created
The more that I hated the man in my eyes

I was scared You'd leave me
Terrified grace had a limit
Cause I know the secrets I buried in silence
And all of the nights I still willingly did it
But if mercy was only for perfect people—
then nobody gets in.

So I fall at Your feet with trembling hands
No excuses left
No strength to stand
If Your blood can wash the worst in me
Then maybe this ain't the end of me

**REDEEM ME FROM THE WEIGHT THAT I MADE
FROM EVERY SIN I TRIED TO ESCAPE!!
IF YOUR MERCY STILL REACHES THIS FAR
THEN PULL THESE DEMONS FROM MY HEART
FROM MY HEART**

**CAUSE I KNOW I DON'T DESERVE YOUR GRACE
BUT YOU STILL CALL ME BY MY NAME
IF THE CROSS WAS BUILT FOR THE LOST AND AFRAID
THEN MAYBE THERE'S REDEMPTION FOR ME**

I remember nights beggin' God not to leave
Hands over my face while I struggled to breathe
Anxiety whispering
You're unforgivable
And honestly
part of me believed it
Cause I know every failure
Every relapse
Every time I promised change then collapsed
Every selfish decision
Every secret addiction

Every moment I knew truth and still turned back

But grace runs deeper

So if hell knows my name

Then heaven does too

And maybe the scars don't disqualify you

Maybe redemption ain't earned by perfection

Maybe it starts when your pride finally breaks

Maybe the cross means mercy for sinners

Not just saints

I got nothing left to hide anymore

I'm done fighting this war alone

If You still want somebody this ruined

Jesus—bring my dead soul home

**REDEEM ME FROM THE CHAINS I CREATED
FROM EVERY FEAR AND EVERY HATRED
IF YOUR LOVE STILL REACHES THE LOWEST PLACE
THEN LET YOUR MERCY FALL LIKE RAIN**

LET IT RAIN

**I BEEN LOST INSIDE MY OWN COLLAPSE
BUT YOUR CROSS STILL CALLS THE BROKEN BACK
IF NO SIN IS GREATER THAN YOUR NAME
THEN JESUS I'M NOT TOO FAR AWAY**

Too dirty

Too broken

God gave up

You'll never change

No

Your grace is bigger than my failure

Lord Jesus Christ

I know that I am a sinner

I know I cannot save myself

But I believe You died on the cross for my sins

And rose again so I could be forgiven

Please come into my heart

Wash me clean

Break every chain over my life

Teach me to follow You

I surrender my fear

my shame

my past

my whole life to You

Jesus Christ is Lord

And today

I choose Your mercy

Amen

Take It All

Surrendering control, fear, pride, and every plan that has become more important than peace with God.

Luke 9:23-24 — Surrender can feel like losing everything, yet it opens the hands to receive the life control could never produce.

What are you gripping so tightly that it is beginning to break you?

God, take every fear, plan, and hidden place I keep protecting. Build something stronger through the wreckage of my surrender.

Take It All / LYRICS

I spent so much time
Holding onto things that couldn't save me

Control
Comfort
Fear
My own plans

But the tighter I held everything—
The more hollow I became

So take it all

I built my life with shaking hands
Stacked my peace on collapsing plans
Every dream I swore would keep me safe
Turned to dust inside my hands

inside my hands

I chased approval
I chased control
Every road just carved another hole

And I got tired
Of carrying myself
Like I could survive without Your help

So if surrender feels like dying
Maybe something new can start
Cause every wall I keep defending
Only pulls me further apart

TAKE EVERYTHING I AM!!

EVERY FEAR!!

EVERY PLAN!!

EVERY PLAN!!

If losing all of this means finding You—
Then let it fall apart tonight

Cause I would rather crawl beside You
Than rule a world without peace inside

SO TAKE MY HANDS

TAKE MY PRIDE

TAKE THE THINGS I USED TO HIDE

I'M DONE FIGHTING THROUGH THE STATIC—

I GIVE YOU ALL MY LIFE

I used to fear the silence
Cause it forced me to hear the truth
Everything I built around myself
Could never pull me through

Pull me through

Every failure
Every scar
Every sleepless night in the dark

Started teaching me surrender
Started breaking who we are

Now grace feels different
Not escape—
But learning how to finally change

Not getting everything I wanted
But losing what was killing me
So if the pressure keeps refining
And the fire burns me clean
Then let every broken moment
Pull what's left of me to peace

TAKE EVERYTHING I AM!!
EVERY DREAM INSIDE MY HANDS!!

If all I built keeps falling down—
Then build something stronger through the wreckage

Cause I don't wanna stay divided
Half surrendered, half afraid

I want every breath inside me
Pointing only to Your name
I'm done trying to save myself...

save myself

Cause peace was never hiding
Inside control

It found me
The moment I let go

TAKE THE FEAR!!
TAKE THE PRIDE!!

EVERY SECRET LOCKED INSIDE!!

IF I LOSE THE WORLD—
BUT STILL HAVE YOU—

THEN I STILL HAVE EVERYTHING!!

TAKE EVERYTHING I AM!!
EVERY WOUND!!
EVERY PLAN!!

Cause all this time
You were building something bigger than me

And I'd rather walk through fire beside You
Than stand alone with everything

So take my future
Take my doubts
Take every part still filled with fear

CAUSE NOW I KNOW—
YOU WERE ALWAYS RIGHT HERE

always right here

Maybe surrender was never losing...

Maybe it was finally learning how to breathe

The Fall, Pt. II - Rebuilt

Looking back at failure and discovering that grace was rebuilding what pain seemed to destroy.

Romans 8:28 — God does not call every painful thing good. He is able to work through every part of the story without wasting the broken pieces.

What if the season you named only as failure has also been forming endurance, wisdom, or dependence on God?

God, help me see my scars through the eyes of grace. Rebuild what has been broken and teach me how to rise again.

The Fall, Pt. II - Rebuilt / LYRICS

Being rebuilt

I spent so long believing
Every failure meant
Something inside me was broken

Every wrong turn
Every sleepless night
Every thought I couldn't outrun

I thought I was falling apart

But maybe—

I was being rebuilt

I wore disappointment like a second skin
Kept chasing peace but the hurt sank in
Every dream I touched slipped through my hands
Every closed door felt like the end

Like the end

I got good at pretending
Like I was alright
Smiling through conversations
While drowning at night

Every mistake kept replaying in my head
Like a voice reminding me
Of everything I hadn't become yet

And I swore I was abandoned
Buried underneath the dark
But every road that nearly broke me
Was rebuilding who I am

I THOUGHT THE FALL WOULD DESTROY ME— BUT IT TAUGHT ME HOW TO STAND

How to stand

Every scar became a lesson
Every failure shaped who I am

I WAS NEVER REALLY ALONE

Even when I couldn't see

Through every shattered moment—

GOD WAS STILL LEADING ME

I spent years comparing my life
To everybody else online
Watching people move ahead
While I was trying to survive

And the pressure almost crushed me
The doubt got hard to fight
I kept asking:

"Why does growth feel like dying every night?"

Every night

But every time I hit the bottom
Something deeper pulled me through
Now I'm finally starting to believe
Maybe grace was there too

Cause the fire never ended me

And the storm never erased
Every season that I struggled
Was preparing me to change

**I THOUGHT THE FALL WOULD DESTROY ME—
BUT IT TAUGHT ME HOW TO STAND**

Every wound became redemption
Every broken part had plans

I WAS NEVER REALLY ABANDONED
Even inside uncertainty

Through every shattered moment—
GOD WAS STILL LEADING ME

Maybe I needed the failures...
To become who I'm supposed to be
Supposed to be

Cause every closed door redirected me
Every heartbreak changed direction
Every night I thought You were silent—
You were teaching me endurance

**I WASN'T FALLING APART—
I WAS BEING REBUILT!!**

**EVERY FAILURE!!
EVERY SCAR!!
EVERY NIGHT THAT HIT TOO HARD!!
ONLY MADE ME STRONGER!!**

**I THOUGHT THE FALL WOULD DESTROY ME—
BUT YOU WERE HOLDING ME THE WHOLE TIME
TURNING ALL MY BROKEN PIECES
INTO SOMETHING STILL ALIVE**

Now I finally see the purpose
Inside everything I feared

**AND EVEN THROUGH THE FAILURES—
YOU WERE ALWAYS HERE**

Always here

Maybe grace was never about avoiding the fall...
Maybe it was learning how to rise again

Let Grace Remain

Letting temporary kingdoms fall so that mercy, truth, and the unshakable Kingdom of God remain.

Hebrews 12:27-28 — What can be shaken will not last forever. God invites us to receive a Kingdom that cannot be destroyed by the collapse around us.

If everything you used to measure success disappeared, what would still remain at the center of your life?

God, tear down what cannot carry eternal weight. When everything temporary turns to ash, let Your grace remain in me.

Let Grace Remain / LYRICS

Everything's rotting

Truth

Love

People

We built kingdoms out of ego

And called it freedom

So if this world must fall apart—

Let grace remain

Every screen glowin' like a false god

Everybody numb while the whole world falls off

Anger in the bloodstream

Fear in the children

Souls grow cold while the devil stay grinnin'

I seen people trade peace for attention

Trade conviction just to fit the direction

Everybody screaming

Nobody listening

Everybody hurting

Still nobody healing

And honestly

I'm exhausted

Tired of watchin' hearts become machines

Tired of fake love sold through broken dreams

I tried to build my life on this world once—

Till it collapsed underneath me

Maybe some things deserve to break

Maybe God can't rebuild us

Until we stop worshipping the ruins

TEAR THE WHOLE WORLD DOWN—

LET GRACE REMAIN!!

WHEN EVERYTHING WE BUILT

BECOMES ASHES IN THE RAIN!!

Ashes in the rain

CAUSE MONEY NEVER SAVED US

AND POWER NEVER HEALED PAIN

SO IF THE KINGDOMS FALL TONIGHT—

LET YOUR MERCY STILL REMAIN!!

DON'T LET MY SOUL DIE WITH THIS WORLD!!

I used to think success meant survival

Till anxiety made me spiral

Till sleepless nights exposed the truth:

Nothing here was ever truly mine to hold onto

We chase comfort till it owns us

Feed addictions till they control us

Smile online while our spirit decay

And wonder why peace keeps slipping away

But somewhere inside the wreckage

I heard Your voice through the static:

Come out from the ruins

And for the first time in years—
I wanted something eternal
This world taught me to worship myself.
My image
My desires
My control

But none of it could save me.

BURN THE IDOLS TO THE GROUND!!

EVERY FALSE GOD!!

EVERY EMPTY THRONE!!

EVERY LIE THAT LEFT MY SPIRIT COLD!!

IF EVERYTHING COLLAPSES—

LET YOUR GRACE SURVIVE THE FIRE!!

When the noise finally dies
And the smoke clears from the sky
Will mercy still be standing there
With open arms for the broken?

Please don't leave me

TEAR THE WHOLE WORLD DOWN—

LET GRACE REMAIN!!

CAUSE YOUR LOVE STILL REACHES

THROUGH THE CHAOS AND THE FLAMES!!

WHEN MY HEART WAS FALLIN' APART

YOU STILL CALLED MY NAME

Called my name

SO IF THIS WORLD MUST DIE—

LET YOUR LIGHT REMAIN!!

JESUS—

BE THE LAST THING STANDING!!

Maybe destruction was never the end

Maybe grace survives
What the world cannot.

Not Ashamed

Refusing to hide the name of Jesus after experiencing the grace that brought a dying soul back to life.

Romans 1:16 — The gospel is not a private embarrassment. It is the power of God for salvation and the reason the redeemed no longer have to live hidden.

Where have fear of rejection or ridicule taught you to make your faith smaller than it really is?

Jesus, give me courage to live truthfully and speak with grace. Let every scar in my story point back to the cross.

Not Ashamed / LYRICS

They told me to keep my faith quiet.

Keep it hidden.

Keep it private.

Keep it weak enough

To fit inside a world that hates conviction.

But I've survived too much darkness

To be ashamed of the light that saved me.

I know what it feels like

To lose yourself slowly

Smile in public

While your soul feel lonely

I done sat awake at 3AM

With anxiety in my chest

Askin' God

Why You still love me after this?

People laugh at faith now

Like surrender means weakness

Like broken people can't heal

Like grace got no meaning

But they ain't seen the nights

I almost gave up breathin'

Or the moments God pulled me back

When my demons had me bleeding

Don't stay silent

I spent too long hiding who saved me.

Too afraid of rejection.

Too afraid of judgment.

But fear never carried me through the fire.

God did.

I WON'T BE ASHAMED OF THE GOSPEL!!

EVEN IF THE WHOLE WORLD TURNS AGAINST ME!!

CAUSE IT WAS THERE

WHEN MY MIND WAS FALLIN' APART

WHEN THE DARKNESS HAD ITS HANDS ON MY HEART

I WON'T STAY SILENT ANYMORE!!

JESUS SAVED ME FROM MYSELF!!

I used to hide my pain behind anger

Hide conviction behind sarcasm

Tryna blend in with a culture

That celebrates self-destruction

And honestly

I was scared

Scared people would mock me

Scared I'd lose friends

Scared I'd look weak

For admitting I needed God again

But every time I ran from truth

I felt my spirit suffocating

And every time I called Your name

You still answered through the chaos waiting

You were never abandoned

This world tells us

Bow to comfort

Bow to lust

Bow to pride

But I already know those roads lead to

Graves

**I'D RATHER BE HATED FOR THE TRUTH
THAN LOVED FOR A LIE!!**

**I WON'T DENY THE NAME
THAT PULLED ME OUT THE DARK!!**

**EVERY SCAR IN MY SOUL
POINT BACK TO THE CROSS!!**

Even when the world grows colder

Even when the night won't end

I still feel Your presence

Breathing life into my chest

I won't hide anymore

**I WON'T BE ASHAMED OF THE GOSPEL!!
CAUSE YOUR GRACE FOUND ME IN THE RUINS!!**

**WHEN MY FAITH WAS WEAK
WHEN MY SOUL WAS NUMB
YOU STOOD BESIDE ME THROUGH THE VIOLENCE!!**

Through the violence

**AND IF THEY MOCK MY FAITH—
LET THEM.**

CAUSE I KNOW WHO PULLED ME FROM THE DARK!!

I BELONG TO JESUS CHRIST!!

I spent years ashamed of needing God

Now

I'm ashamed I ever hid Him

THE DARKNESS DOES NOT GET THE FINAL WORD.

Let grace remain.
